### DISCOUNTED RATE RESIDENTIAL RECYCLING SERVICE

The Town of Sunset Beach, N.C. has negotiated special group discounted recycling rates for Waste Industries recycling service to residential households located within the Town's municipal limits. This is not mandatory, but offers residents a discounted annual rate.

To take part in these special discounted rates for this program year, residents or property owners must sign up and remit the appropriate fees to the Town no later than **October 21, 2016**. No late enrollments will be accepted in this discounted rate program. (All service requests outside of the enrollment period will be directed to Waste Industries and will be subject to the standard service rates.)

#### ISLAND

All **island** residents who sign up for recycling will receive recycling pick up every other Wednesday from October - April and weekly pick-up on Saturday from May - September. The fee for this will be \$72.00.

#### MAINLAND

All **mainland** residents who sign up for recycling will receive every other week collection of recycling on the same day of the week as their normal trash pick-up day, year-round. The fee for this will be \$55.00.

- The discounted residential program's service dates are October 5, 2016 – September 30, 2017.
- The discounted rate is a non-refundable one-time fee and no pro-rations will be made.
- The service includes one (1) 96-gallon blue recycling cart for curbside recycling collection. If your cart is stolen, lost or damaged, a replacement fee of \$75 will be charged.
- You are encouraged to write your address on the cart with permanent marker.
- Only clean and dry recyclable materials should be co-mingled in your recycling cart. (You do not need to sort the different kinds of recyclable materials, but recycling carts will not be picked up if household trash is mixed in with recyclables.)

---
